

Tualatin Soil & Water Conservation District

Equipment Rental Agreement

This Rental Agreement (“Agreement”) is entered into this ___ day of _____ by and between the Tualatin Soil & Water Conservation District (“District”) and _____ (“Renter”) and shall be effective upon signing by both parties hereto (“Effective Date”).

Subject to the terms and conditions stated herein, including Exhibits A, B, and C attached hereto and incorporated herein by this reference, District agrees rent to Renter the following equipment (“Equipment”):

Mill Creek 57G Manure Spreader

(specifications provided in Exhibit A to this Agreement)

This Agreement is subject to the following Terms and Conditions:

1. Residency. This Equipment Rental is available only to residents of Washington County, Oregon. The Renter must show proof of address at the time of rental.
2. Cleaning. The District will provide equipment cleaning instructions at the time of rental. Equipment must be returned in fully clean condition. Failure to return the Equipment in clean condition will cause the Renter to forfeit some or all of the Security Deposit.
3. Security Deposit. A refundable security deposit is required at the time signing. The Security deposit amount is provided in Exhibit A to this Agreement. The Security Deposit will be applied at the District’s discretion for cleaning, damages incurred other than normal wear or tear, and/or replacing missing or broken parts. Any unused Security Deposit amount will be refunded to the Renter in the final billing.
4. Rental Fees. Rental Fees are as provided in Exhibit A to this Agreement. The District will bill the Renter for all fees and other costs incurred. Renter agrees to pay all rental charges and costs to repair damage above the amount of the Security Deposit, if any, within **ten (10) business days** of bill date.
5. Delinquent Payments. Renter shall pay all collection fees, attorney's fees, court costs, other reasonable costs incurred by District to collect amounts not received when due.
6. Insurance: At the time of rental the Renter must provide a Certificate of Liability Insurance that shows the District as an additional insured.
7. Transport. Unless otherwise agreed, the Renter is responsible for transporting the Equipment. The Equipment weighs 660lbs empty. **The Renter is responsible for providing a mode of transportation suitable for pulling the Equipment. The spreader may not be towed above 25 mph.** Upon request, the District will provide a trailer hitch and pin suitable.
8. Malfunctions. The Renter shall notify the District Immediately if the Equipment needs maintenance or repair or is out of alignment. The Renter shall not undertake repairs without the

express permission of the District. If Renter undertakes such repair without the District's express permission, Renter may be held liable for the full replacement cost of the Equipment.

9. Use at Renter's Risk. The Equipment is used at Renter's sole risk. Renter agrees to use the Equipment in a careful and prudent manner and return the Equipment in the same condition as received. Renter agrees that the Equipment will be used only on fields capable of being mowed and containing no rocks, stumps, or other debris which will damage the Equipment. Renter agrees to sweep out and power wash spreader before returning the Equipment to the district.
10. Risk of Loss. While normal wear from responsible use is expected, renter shall be responsible for loss, theft, damage, or destruction of Equipment and accessories. Renter shall be responsible for all liability for Equipment use and transportation. Equipment that is lost or damaged beyond repair will be paid for by Renter at the regular replacement value. All damaged Equipment will be repaired by District and the cost of such repairs and replacement parts shall be paid for by Renter, with the exception for costs of normal wear (chains, tire tread, etc.), which will be borne by the District.
11. Disqualification from Future Rentals. If Renter is found to have misused the Equipment or the Equipment incurs damage due to apparent negligence, Renter may be determined to be ineligible to rent/borrow equipment from the District in the future.
12. Safe Operation. Renter is responsible for ensuring that any tractor and hydraulic lines are in good operating condition and can operate the Equipment in the field, and that the tractor can pull the unit safely. See and initial "**Instructions for the Transportation, Operation, and Return of the Mill Creek Manure Spreader**" in Exhibit B of this Agreement.
13. Return of Equipment. Upon completion of use, Renter shall set up an appointment to return the spreader. Equipment shall not be returned in the absence of a District representative.
14. Disclaimer of Warranty. Except as otherwise expressly provided by this Agreement, District makes no expressed or implied warranty as to any matter whatsoever, including, and without limitation, the condition of the Equipment or its fitness for a particular purpose. No defect of the Equipment shall relieve Renter of his/her obligation for payment to District provided herein, or of any other obligation under this Agreement.
15. Indemnity. Renter is responsible for any accidents resulting from the transportation or use of the Equipment. Renter shall indemnify District against, and hold District harmless from, any and all claims, actions, suits, proceedings, costs, expenses, damages, and liabilities, including attorney's fees, arising out of, connected with, or resulting from the Equipment or this Agreement, including without limitation, the manufacture, selection, delivery, leasing, renting, control, possession, use, operation, maintenance or return of the equipment. Renter shall further indemnify District and hold District harmless from all loss and damage to the Equipment during the rental period. Renter recognizes and agrees that included in this indemnity clause, but not by way of limitation, is Renter's assumption of any and all liability for injury, disability and death of workers and other persons caused by the operation, use, control, handling, or transportation of the equipment during rental period.
16. Attorney Fees. If legal action becomes necessary to interpret or enforce the terms of this Agreement, the prevailing party in such action shall be entitled to recover from the other party its legal costs and reasonable attorneys' fees incurred in such action, at trial and on appeal.

EXHIBIT A
Tualatin Soil & Water Conservation District
Equipment Rental Agreement

General Information

Equipment Owner. Tualatin Soil and Water Conservation District (District)

Equipment Description. **Mill Creek Manure Spreader 57G**

- 18 HP minimum tractor (small enough for ATV usage)
- Ground Driven (no PTO required)
- Capacity Heaped: 56 cu ft
- Pull type (no trailer required); **maximum driving speed is 25 mph**
- Overall length: 11'6"; Overall width: 58"
- Maximum weight (empty): 66lbs

Transportation. The Renter is responsible for transporting the Equipment in a vehicle suitable for the empty weight of the Equipment. Upon request, the District will provide a trailer hitch, pin, and light adapter suitable for most half-ton pick-ups or larger.

Equipment pick-up/drop off appointments are scheduled Monday-Friday. Please allow time for the district representative to orient the user to the implement and inspect the unit at delivery and upon return.

If the user does not have access to the appropriate mode of transportation, the District may provide transportation as capacity allows. If you know that you will not be able to provide transportation, please schedule rental appointments at least two weeks in advance to ensure staff availability.

Rental Rates.

- **Weekday:** Daily rate is \$150 per 24-hour period (i.e., 3 pm – 3pm) or fraction thereof. This rate includes a brief orientation to the equipment.
- **Weekend:** \$150 per weekend (Friday afternoon to Monday morning). This rate includes a brief orientation to the equipment.
- **Security Deposit:** A \$150 refundable deposit is due from the Renter at the time of signing. The deposit will be applied at the District's discretion for cleaning, damages incurred other than normal wear or tear, and/or replacing missing or broken parts. Any unused Security Deposit amount will be refunded to the Renter.

The District will make billing arrangements at time of agreement and will bill upon return of Equipment. The refundable amount of the Security Deposit will be deducted from the final bill. Payment in full is due and payable within ten (10) days of billing.

Liability Insurance. The Renter must provide a Certificate of Liability insurance at the time of rental that names the District as an additional insured. A sample form is provided in Exhibit C to this Agreement.

Notify District Immediately if:

- **Equipment needs maintenance or repair, or is out of alignment**
- **You need to change the date or time for returning the equipment**
- **You are finished using the equipment.** *(Someone else may be waiting to use it.)*

EXHIBIT B

Tualatin Soil & Water Conservation District Equipment Rental Agreement

INSTRUCTIONS for the TRANSPORTATION, OPERATION, and RETURN OF MILL CREEK MANURE SPREADER 57G

Item Renter agrees to:	Initial Here
Transport the unit on the road in a safe a prudent manner. Road speed for unit transport not to exceed 25mph. Unit will be DISENGAGED for any and all towing above 6mph	
Use the manure spreader only on fields capable of being mowed and containing no rocks, stumps, or other debris that will damage the spreader.	
Send the District an address and a description of the fields the drill will be used on. This will ensure that topography is conducive to using the spreader	
CLEAN OUT ALL MANURE OR COMPOST from spreader using a power washer. This is for biosecurity purposes.	
Return all equipment that the District provided (hitch). Confirm that no parts are missing.	
Allow NO RIDERS on the equipment at any time	
Tow the engaged spreader between 3-6mph and not exceeded the minimum or maximum speeds.	
Pay \$150 refundable security deposit.	

By initialing in the boxes above, I indicate my understanding that the district will deduct necessary fees for cleaning, damages and/or missing or broken parts, or for manure or compost that needs to be cleaned by the district. **An inspection will be done at delivery and upon return of the equipment with the driver and renter.**

OPERATING THE MANURE SPREADER:

- This spreader is light and requires 18hp to pull.
- Manufacturer recommends loading spreader from front to back for easiest unloading.
- The spreader must be driven at a **MINIMUM of 3 mph** to ensure proper spreading action.
- The spreader must not exceed the **MAXIMUM speed of 6mph** to ensure longevity of the spreader.
- Press operating lever **DOWN to engage apron chain and UP to disengage.**
- Do **NOT leave the spreader engaged while towing** unless you are actively spreading manure or compost.
